

Dear Parents:

Thank you allowing for us to invest in your child's future. Our Team is ready to pour out God's love to your students and give them intensive training in the art of songwriting and accompanying skills. Our Team members are each passionate about ministering and training for Kingdom purposes.

Lakeview Camp and Retreat center is one of the nicest camp settings in the entire state of Texas. We encourage you to check out their website lakeviewcamp.net to get an idea of their campus.

Included in this registration packet are some very important documents. Please take the time to go through them carefully with your child. One of the documents is a permission slips that will allow your student to audition for varying scholarships and awards. We believe these sponsors will be of great benefit to your students.

We are looking forward to this week. Jennie and the entire staff are already praying over all of you, as am I.

Sincerely,

Jade Lundgren
Camp Coordinator
